Overview of Peer Review Process

Face-to-Face Training

- Framework – Standard 2 – The program telling THEIR story
- Key Standards
- Mock onsite interviewing
- Report writing
 - Writing NC (lacking evidence) statements
 - Citing Standards (multiple vs. best)
 - Triangulation

Peer Review Teams

Role

- Help to improve – not definitive/final in execution
 - Communication through PRT chair
- Extension of the CAATE (eyes, ears)
- Not there to be a consultant

Submission of Materials

Formative, not Summative

Approach

- Starts with the Framework
- Multiple iterations with the program
- Ability to reopen Standards independently
- NC vs Lacks Evidence

Institutional Organization and Administration

37, 39, 44, 45

- Update directories
 - BOC
 - License
 - NPI

Curricular Content Standards

Clinically, didactically, or both

- Provide evidence of teaching
- Tools used to evaluate

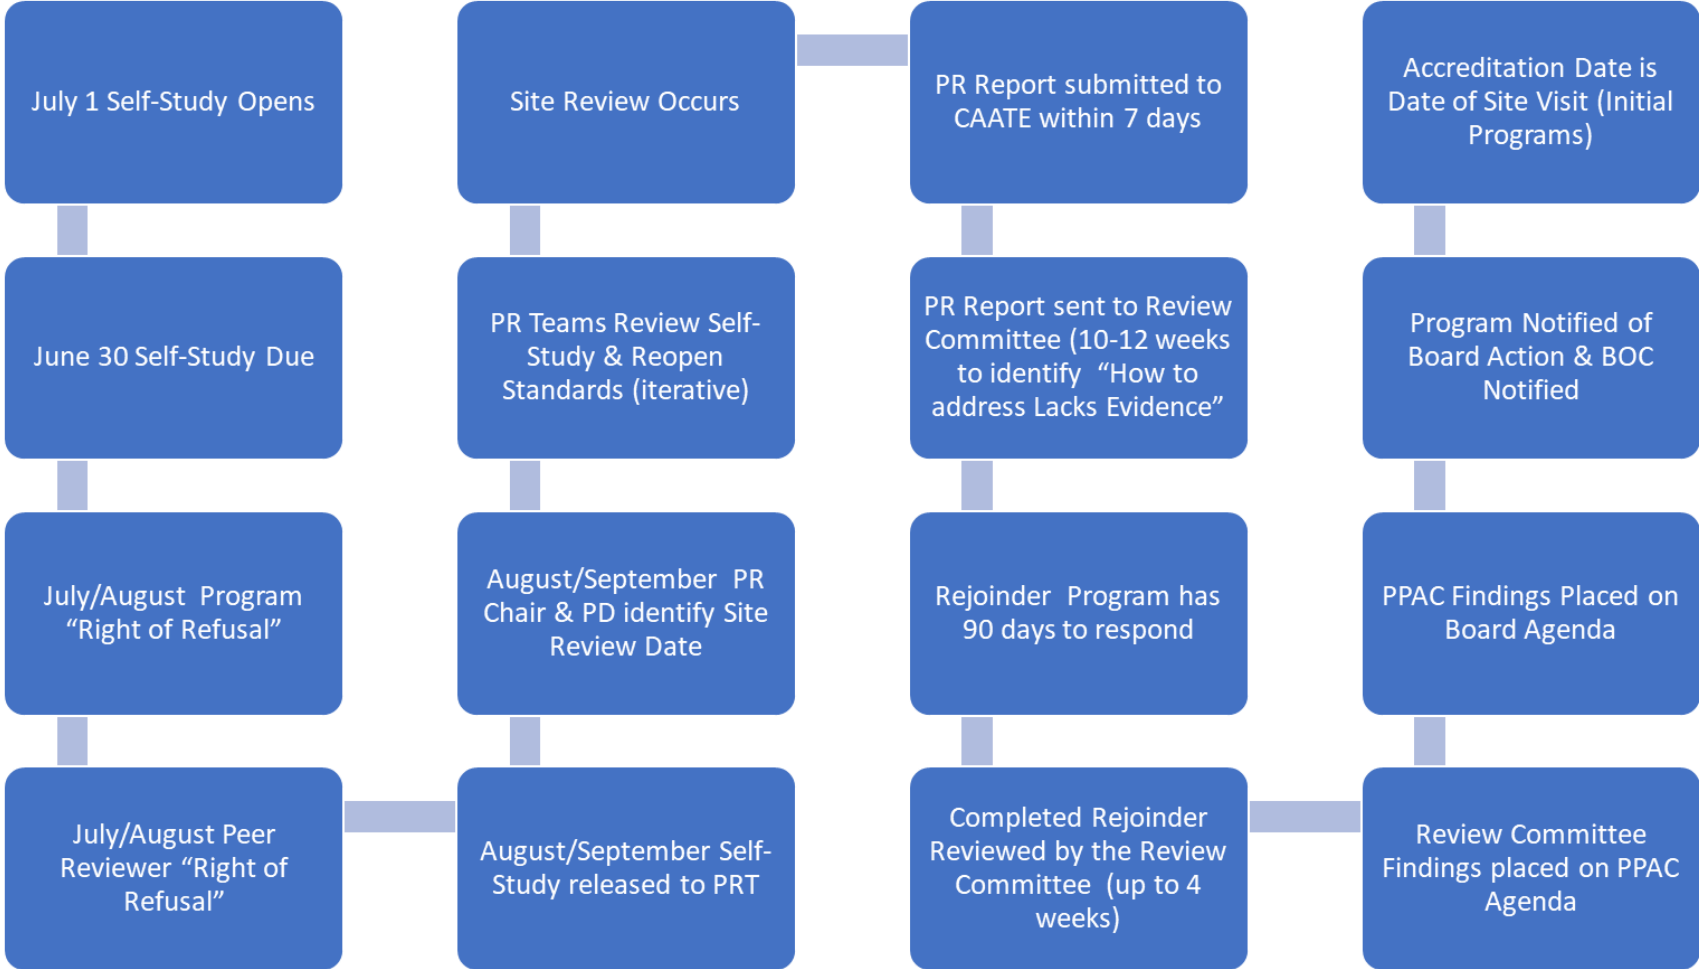

Institutional autonomy
