Athletic Training Centralized Application System

Exclusive ATCAS Discounts for Internal Applicants

We understand that some programs currently do not utilize ATCAS for their internal applicants, and that's why we want to reach out to you directly. With this new program, we aim to provide a convenient and cost-effective solution for your internal applicants.

Here's what the program entails:

1. Streamlined Application Process: Your program will now have the option to use ATCAS for internal applicants, making the application process more efficient and standardized within your campus.
2. Special Discounts: By participating in this initiative, your program will have the opportunity to offer your eligible internal applicants an exclusive discounted rate for their graduate program application through ATCAS.

How it works:

- Upon identifying potential candidates from your undergraduate program who meet the eligibility criteria for your Athletic Training program, you will send us a list of these applicants.
- We will then generate personalized coupon codes for each eligible applicant, which they can use during the ATCAS application process. These coupon codes will entitle them to the discounted rate for applying to your graduate program.

To ensure that your program qualifies for this initiative, contact Ann Donnelly at adonnelly@liaisonedu.com.

She will be more than happy to answer any questions you may have and guide you through the process. Thank you for considering this opportunity. We are eager to collaborate with your program to ensure a seamless and rewarding experience for your internal applicants.
