

Annual Report Review 2016

Primary Reviewer's review is in progress.

Start by clicking on the Annual Report tab.

Annual Report 2017

[Directory](#) information (Faculty, Clinical Sites and Preceptors), Program Profile, Officials and Student/Resident Information must be updated prior to submitting your Annual Report.

Please complete the following sections for this year's Annual Report. Please take a few minutes to read the directions at the beginning of every section. As you complete your Annual Report, the table below will show your progress as **Not Started**, **In Progress** or **Complete**. When all sections are **Complete** a Submit for Signatures button will appear on the Annual Report >home tab. The Annual Report will require electronic sign off by Department Chair and Dean (Medical Director and President for Residency Programs). Once the Department Chair and Dean (Medical Director and President for Residency Programs) have both signed off, the Program Director can submit the Annual Report. You must click the Submit button (located on the Annual Report > home tab) in order to complete the submission process. The deadline for completing and submitting your Annual Report is on or before **Oct 1, 2017**.

For your convenience, last year's responses have been pre-populated. Please update the information as needed.

Your program's Annual Report appears to be missing some information.

Please complete the indicated sections below, and return here to submit your Annual Report.

This table will show you your progress

Professional Programs: The Preceptor, Clinical Site, and Faculty Profiles are required to submit the Annual Report.

Post-Professional Degree Programs: The Preceptor Profiles are optional and Clinical Site and Faculty Profiles are required to submit the Annual Report.

Post-Professional Residency Programs: The Preceptor, Clinical Site, and Faculty Profiles are required to submit the Annual Report.

Use these links to navigate to the sections you wish to complete. (You may also use the tabs on the black bar above)

SECTION	STATUS
Clinical Site Profiles	Not Started
Faculty Profiles	Not Started
Preceptor Profiles	Not Started
Annual Report	
Section I: General Program Information	Not Started
Section II: Applicants & Enrollment	Not Started
Section III: Faculty	Not Started
Section IV: Program Operations	Not Started
Section V: Outcomes	Not Started
Section VI: Access to Information and Compliance	Not Started

After all sections have a Complete status, the Chair and Dean (or other administrators for residency programs) are required to signoff prior to submission to CAATE.

The Directory tabs (Faculty, Clinical Sites and Preceptors) have been prepopulated with previously submitted data. This will make the completion process easier. However, you must review each entry and update necessary information. Also, CAATE has added new required fields, so you must review each entry and click the “Save” button below.

Faculty Clinical Sites Preceptors

Clinical Site Profiles

Please create a profile for each clinic that the program uses for clinical experience, clerkships, internships and/or externships. The capture of this information allows for summary analysis each year. Please be as accurate as possible in completing the profiles.

When all required fields for each Clinic have been completed, you will see a **Mark as Complete** link below. Click this link when you are finished with the section, i.e., when there are no more Clinics for you to add. A new link will appear, **Mark as In Progress**, and the system will not allow you to enter new Clinics or edit existing profiles. If you want to make additions or changes, and you haven't yet submitted to CAATE, click **Mark as In Progress**. The system will unlock. Make your edits or additions, then click **Mark as Complete** again.

The screenshot shows a search bar with a 'Search' button and a search icon. Below the search bar are two links: 'View All Clinical Site Profiles' and 'Add Clinical Site Profile'. An orange callout box with a pointer highlights the 'Add Clinical Site Profile' link. The text inside the callout box reads: 'Click here to add any new Directory entry'.

In accordance with Standard 3 (2012 Standards for Professional Programs), all clinical sites that involve either patient care or observation-only experience need to be listed in the Clinical Sites Directory for the Annual Report. Please ensure that you have included all sites used for any clinical education.

Please Note: The # of preceptors column is pre-populated and calculated based on the information provided within preceptor profiles. This column is not editable within the Clinical Site Table.

Professional Programs: The Preceptor, Clinical Site, and Faculty Profiles are required to submit the Annual Report.

Post-Professional Degree Programs: The Preceptor Profiles are optional and Clinical Site and Faculty Profiles are required to submit the Annual Report.

Post-Professional Residency Programs: The Clinical Site Profiles are optional and Preceptor and Faculty Profiles are required to submit the Annual Report.

Note: Please note that all preceptors need to be reported and that all preceptors will need a preceptor training date, as the standard states that all preceptors must receive "planned and ongoing education" from the program designed to promote a constructive learning environment and that anyone supervising your students during clinical education (hands-on or observation) is considered a preceptor. If you entered 1/1/2014 on your last annual report (as directed), you will need to change this date for this reporting period (due October 15, 2015) since this standard was in effect for the 2014-2015 academic year.

Instructions:

(1) Please answer all questions for the reporting period. (2) All fields are required, so you must answer all questions. (3) You can tab from question to question. (4) Many questions with yes/no choices ask you to complete a text field if you answer yes. You must enter text in this field for the system to recognize your answer as complete. (5) Some questions ask you for numbers. For these, enter zero rather than leaving an entry empty. (6) You can complete the survey in several sittings. Just remember to click Save or Next at the end of every page to save what you have done. (7) Error and warning messages will be displayed both within the survey and on the top of every survey page. (8) Incomplete sections will be noted section by section on the Annual Report tab.

Submitting your Annual Report:

When all sections are complete, you will see a Submit for Signatures button on the Home tab. Electronic signatures for your Department Chair and Dean will be required prior to final submission. Once both administrators have electronically signed off, the Program Director can then click the Submit button to submit your Annual Report to CAATE.
