## CAATE Update on Coronavirus

The Commission on Accreditation of Athletic Training Education (CAATE) is monitoring the Coronavirus (COVID-19) situation and recognizes that this may affect our programs and site visits. The CAATE will depend on the appropriate agencies (CDC, HHS) for the most current information and will follow their guidance in regard to travel for our volunteers. The CAATE will provide more information as needed, however, if you have questions or concerns pertaining to upcoming CAATE related travel, please contact the CAATE Office (support@caate.net or 512-733-9700).
