

Materials That Must Be Provided On-Site At Time of Site Visit for Post-Professional Degree and Post-Professional Residency Programs

1. Completed Student Waiver Forms for all students/residents in the program and prospective students to allow CAATE Site Visitors to review of student files.
2. Student files. Should the Program use multiple file formats (e.g. academic, clinical, digital, advising), the institution must make all formats readily available to the Site Visit Team.
3. Access to internet sites (or access to the data on these sites) that are available to ONLY institution faculty/students that may contain documents needed to complete the Site Visit such as Blackboard websites that contain program policies and procedures, etc. or Clinical Tracking software systems (if applicable).

Materials That Should Be Provided On-Site at Time of Site Visit If Different than Documents Submitted Via eAccreditation.

Post-Professional Degree Programs

1. Completed program evaluation tools for each level of the program (didactic, scholarly experience, advanced clinical practice). Examples of evaluation instruments that could be provided are clinical site evaluations, preceptor evaluations, academic course performance, retention and graduation rates, graduating student exit evaluations, and alumni placement rates one-year post graduation.
2. Degree Program Handbook/Policy & Procedures Manual.

Post-Professional Residency Programs

1. Completed program evaluation tools for each level of the program (clinical practice, didactic, and scholarly experiences). Examples of evaluation instruments that could be provided are clinical site evaluations, preceptor evaluations, academic course performance, retention and graduation rates, graduating resident exit evaluations, and alumni placement rates one year post graduation.
2. Completed copies of instrument(s) used to ensure defined and planned educational opportunities for each resident enrolled in the program.
3. Completed copies of instrument(s) used to ensure advanced clinical education plan for each resident enrolled in the program.
4. Athletic Training Resident Handbook/Policy & Procedures Manual.
