

CAATE

Commission on Accreditation
of Athletic Training Education

Materials That Must Be Provided On-Site At Time of Site Visit for Professional Programs

1. Completed Student Waiver Forms for all students/residents in the program and prospective students to allow CAATE Peer Reviewers to review student files.
2. Student files. Should the Program use multiple file formats (e.g. academic, clinical, digital, advising), the institution must make all formats readily available to the Peer Review Team.
3. Access to Internet sites (or access to the data on these sites) that are available to ONLY institution faculty/students that may contain documents needed to complete the Peer Review Visit such as Blackboard websites that contain program policies and procedures, etc. or Clinical Tracking software systems (i.e. E-Value, ATrack).

Materials That Should be Provided On-Site at Time of Site Visit if Different than Documents Submitted Via eAccreditation.

Professional Programs

1. Completed program evaluation tools (didactic and clinical) for each level of the program. Evaluation instruments for didactic and clinical instructor/supervisors, as well as student clinical evaluations.
2. Athletic Training Student Handbook/Policy & Procedures Manual.
